

Created Tuesday 22 March 2016! This is a test!

Should be a new slide!! Next items should produce a **List in Bold**

- item 1
- item 2
- item 3
  - 1. item 3
  - a. item

Should be a new slide!! Now it should be appearing  
*check boxes in italic*  
head 4 Should not be a new slide!!

## Header 3

Should be a new slide!!

head 5 Should not be a new slide!! Now an example of  
~~strike through~~

To finish this presentation an image must be shown! An import of an  
image!!!

Figure: Atom

# End

Now an example of verbatim working

```
int main() {return(0);} in verbatim
```
